SUB BENEFIT IMPROVEMENT

The SUB Plan is part of your UA Local 67 Benefit Program. It tops up the income of members who are receiving Employment Insurance Benefits due to an illness or injury, shortage of work, attendance at a trade school, or a maternity/parental leave.

Having reviewed the Trust Fund on a monthly basis over the past year the Trustees are confident the financial health of the Plan and its ability to sustain benefits for years to come are strong and growing stronger.

Your Board of Trustees is happy to announce that, starting January 1, 2017, the SUB Plan will increase benefit payments from \$1,200 to \$1,500.

- To receive benefits you must submit your EI Payment Detail Report **within 90 days** of the date you receive your weekly EI payment.
- The SUB Plan will pay **\$150 per week for up to 10 weeks.**
- SUB Plan benefits apply to a **calendar year** (January to December).
